[Cut to JIM and HUGH. Caption: "Jim" and "Hugh"]

JIM: We're here to give you an introduction to the wide world of athletics at Miskatonic University. First and foremost, Miskatonic is known for its track and field team. You've probably heard of their motto: "Only the fast survive." They have set records in so many events, it would be hard to enumerate them all.

HUGH: But track and field isn't the only sport you can play here. The Miskatonic Cephalopods compete in 17 varsity sports, and there are also many intramural and club programs open to all students. So let's hear from some of our outstanding student-athletes, as they describe their sporting achievements.
