The image features a central, detailed DNA double helix structure rendered in a textured, blue-tinted style. This central helix is surrounded by several other, more faint and out-of-focus DNA helices, creating a sense of depth and repetition. The background is a dark, solid blue. Overlaid on the central helix is the text "All the Pains of Life" in a clean, white, sans-serif font. The text is arranged in four lines: "All the", "Pains of", "Life", and "Life". A white dashed line follows the curve of the DNA helix, passing through the text.
