

Hearing Voices

The voices...why won't they leave you alone? It seems like they're trying to help, but they're not really paying attention to each other. How can you make sense of it all?

This puzzle is based on the game Exquisite Fruit. See

<https://tmcaylifeasapuzzle.wordpress.com/2014/05/16/curriculum-vitae-exquisite-fruit/> for a description of the rules, but note that in this puzzle, there are only 4 players.
